

# BRAVE FIREMEN CRUSHED BENEATH FALLING WALLS OF BURNING BARN.

## HEART RENDING SCENE AT FIRE

### During Which Daring

Men Endangered Their Own Lives to  
Succor Their Buried Comrades

Three of Whom Were Killed.

As Many More Were Injured. Most Disastrous  
Blaze in Years Occurred Early This Morn-  
ing in Cleveland. Loss Will Reach  
Quarter of a Million Dollars.

CLEVELAND, OHIO, NOV. 16.—  
THREE FIREMEN WERE KILLED  
AND TWO INJURED IN ONE OF  
THE LARGEST FIRES THAT THIS  
CITY HAS SUFFERED IN MONTHS  
EARLY TODAY.

THE DEAD:  
ROBERT DUENFY, TRUCK NO. 2  
ROBERT REED, TRUCK NO. 2  
JAMES SCHWEDA, TRUCK NO. 2

THE INJURED:  
MICHAEL CORRIGAN, TRUCK  
NO. 1, LEGS BROKEN.

HARRY VANDEVELDE, TRUCK  
NO. 2, SUFFERING FROM SHOCK,  
IN HOSPITAL, OUTCOME UNCER-  
TAIN.

BATTALION CHIEF, SLIGHTLY  
INJURED BODY.

Duenfy and Schweda were killed at  
most instantly, having been caught  
under a falling wall. Reed died an  
hour or two later in the hospital.

The fire was in the large street car  
barn of the Cleveland Electric Rail-  
way Co., on Holmden avenue and  
Pearl street, and broke out about 3  
o'clock, from, as yet, an undetermined  
cause. The employees of the street  
car company believe, however, that  
it was of incendiary origin.

There were one hundred motors  
stored within the building, which cov-  
ered an area of four acres, and the  
flames spread like a whirlwind, neces-  
sitating the calling of all available fire  
fighting apparatus in the city. The  
motors are valued at probably two  
thousand dollars each. The loss on  
the building is placed at \$20,000. The  
fatalities were caused by a wall fall-  
ing suddenly upon Duenfy, Schweda,  
Reed, Corrigan and Vandeveld.

At 4 o'clock, one hundred frantic  
firemen had succeeded in uncovering  
six bruised and bleeding forms from  
beneath the walls.

Fireman Schweda was dead when  
found. Harry Vandeveld, both legs  
broken and internally bruised.

Robert Reed was taken unconscious  
from the ruins.

The scene at the fire was heart-

rending. Big brave firemen worked  
desperately in removing the smoking,  
steaming bricks from their comrades.  
The firemen were constantly driven  
back from the ruins of the fallen wall  
by the smoke and fire.

A half dozen streams were directed  
into the debris in a desperate effort to  
cool it sufficiently, so that the work  
of rescue could go on. The firemen,  
held in check, in the meantime, were  
frantic to resume work. In sheer  
desperation, a number rushed through  
the blinding smoke and flames. Mich-  
ael Corrigan, of Truck No. 1, was seen  
at the edge of the brick wall, his legs  
pinioned beneath a mass of bricks.  
He was pleading with his comrades  
to rescue him. A dash was made  
through the smoke and fire, and Corri-  
gan was seized by a half a dozen  
hands and dragged to a place of  
safety. It was found that both of his  
legs were broken. Moaning piteous-  
ly, he was placed in an ambulance and  
taken to a hospital.

The firemen worked heroically in  
the scalding, steaming bricks and the  
bruised and bleeding form of Robert  
Duenfy was next brought out. He  
was dead, and his body was taken  
away.

Later, the lifeless body of Frank  
Schweda was taken from the steam-  
ing ruins. The father and wife of  
Schweda were killed less than a  
month ago in a street car accident.

Another charge was made upon the  
smoking ruins, and after ten minutes  
work, Robert Reed and Harry Van-  
develd, frightfully bruised and burn-  
ed, were taken unconscious from the  
ruins. Vandeveld was taken to a hos-  
pital.

Battalion Chief Andrews, who was  
standing a little back of his men, was  
struck by large pieces of stone and  
injured about the legs. He was taken  
home in his own carriage.

It is believed there have been no  
more fatalities, although firemen are  
still searching the ruins.

### KITCHENER HAS BROKEN LEG.

Simla, India, Nov. 16.—Lord Kitch-  
ener, commander in chief of the  
British forces in India, has met with  
a serious accident while riding home  
alone from a country house near here.  
As he was passing through a tunnel  
his horse became frightened and col-

lided with the walled side. One of  
Lord Kitchener's legs was broken in  
two places.

Some time afterwards, Coolies  
passed through the tunnel and found  
the commander in chief lying there  
helpless and brought him to Simla.  
He is now reported to be doing well.

## SECOND TRIAL FOR CONSPIRACY.

Cincinnati, Nov. 16.—The second  
trial of Daniel Voorhees Miller, of  
Terre Haute and his friend, Jos. L.  
Johns, an attorney at Rockville, Ind.,  
began today before U. S. District  
Judge Albert C. Thompson. They are  
charged with conspiracy to extort a  
bribe from Jno. J. Ryan, a turf com-  
missioner, with offices at Cincinnati  
and St. Louis for such decisions as

would allow Ryan to use the mails in  
receiving money for "betting on  
races." At their first trial here last  
month, the jury disagreed. Witnesses  
are here from Washington, D. C. for  
the government and many from Indi-  
ana for the defendants. The attor-  
neys appear on both sides as at first  
trial, and Attorney Spear of Indiana-  
polis appeared for Miller.

## BETWEEN BOULDERS HIS BODY RESTED.

They Made a Natural Tomb, and It Is Thought  
That the Suicide Had That in Mind  
When He Fired the Shot.

### LONG EXPECTED TRADE TREATY HAS ARRIVED.

Washington, Nov. 16.—The long ex-  
pected trade treaty between the Uni-  
ted States and China, which was nego-  
tiated in Shanghai by the American  
commissioners and the Chinese repre-  
sentatives has just reached Washing-  
ton and is now under examination by  
the state department officials.

Albuquerque, N. M., Nov. 16.—Be-  
tween two boulders on the top of the  
highest peak of the lofty Sandia  
range, has been found the partly de-  
composed body of J. M. Scaler, late  
of the U. S. army in the Philippines.  
Scaler was last seen here October 18,  
when he said he was going to his home

in Kansas City. Beside the body  
when found, lay a pistol with one  
chamber empty, indicating the man-  
ner of his death. The boulders be-  
tween which the body was found  
formed a natural tomb and it is  
thought the suicide had this fact in  
mind when he seated himself and  
fired the fatal shot.

THE INEVITABLE.

## DRUG TRADE WILL BE HELD

To Strict Account in Matter of Prices  
by New Combination.

New York, Nov. 16.—All branches  
of the drug trade, manufacturers, job-  
bers and retailers are greatly inter-  
ested in the outcome of a movement  
just inaugurated by several leading  
manufacturers of medicinal articles to  
stop price-cutting on patent medicines.  
For years the practice is said to have  
demoralized the drug trade, and all  
efforts to stop it have thus far failed,  
except that in some sections of the  
country conditions have improved  
somewhat as a result of the anti-cut-  
rate crusade. The method about to be

tried originated with the manufac-  
turers and proprietors and aims at the  
control of prices on their goods all  
over the country. If a retail druggist  
persists in cutting prices it is the in-  
tention of the manufacturers in the  
agreement, according to the journal of  
commerce, to stop supplying that cen-  
ter with their goods, and if necessary  
to cut off those who are found to be  
supplying the cutter. Co-operation  
by the proprietors has now been se-  
cured and the manufacturers will at  
once proceed to establish minimum  
prices for their wares.

## BLINDED BY BLOWS HE SHOT DOWN FRIEND.

Chicago, Nov. 16.—Dazed by blows  
by men who had insulted the young  
woman he was escorting, Rudolph  
Ludwig drew a revolver last night,

and fired two shots. Both struck  
Frank Sanders, his friend and com-  
panion, who also was struggling with  
the crowd, and inflicted wounds from  
which Sanders died two hours later.

## PROTEST IS FILED.

Colombia Claims That Actual Responsi-  
bility Rests With United States.

President Marroquin Asserts That This Coun-  
try Has Violated Treaties of 1846-1870---  
and in Many Ways Has Acted in  
Very Bad Faith.

London, Nov. 16.—The Colombian  
authorities have cabled to London a  
lengthy protest against the United  
States action towards Panama in  
which they claim that the "actual  
responsibility for the secession lies  
with the U. S. government" and by  
partly acknowledging the independ-  
ence of the revolutionary province, and  
finally by preventing the Colombian  
government from using proper means  
to suppress the rebellion.

The cable message goes on to say  
that President Marroquin has energet-  
ically protested to the United States  
and wishes that his protest should be  
known throughout the civilized world.  
The president contends that the  
United States has infringed article 35  
of the treaty of 1846, which he as-  
serts, implies the duty on the part of  
the U. S. to help Colombia in main-  
taining her sovereignty over the  
Isthmus and adds that the "Colom-  
bian government repudiates the as-  
sumption that they have barred the  
way to carrying out the canal."

He asserts that since 1835 they have  
granted canal privileges to different  
people no less than nine times and

claims that the treaty concluded with  
the United States minister to Colom-  
bia, at Bogota, July 8, 1870, has been  
ignored at Washington. After giving  
the previously stated reasons for the  
Colombian senate's failure to approve  
the Hay-Herran treaty and asserting  
that the delay in the negotiations had  
not affected the ultimate issue of the  
canal project, the protest of President  
Marroquin points out that Colombia  
had "constantly endeavored to act in  
a friendly manner with the United  
States, even asking for the assist-  
ance of American marines to insure  
free transit across the isthmus," says  
the rising occurred when the govern-  
ment was not prepared, having with-  
drawn most of its troops when peace  
was reestablished last year and con-  
cluded:

"The hastiness in recognizing the  
new government which sprung up is  
under these circumstances all the  
more surprising to the Colombian  
government, as they recollect the  
energetic protest of Washington to the  
acknowledgement of the belligerency  
of the confederates by the powers dur-  
ing the civil war."

## IF CHEROKEE ATTEMPTS TO

Enter the Five Ports of San Domingo  
She Will Be Sunk.

Consul Says San Domingo Navy Will Not At-  
tempt to Parley With Her This Time.  
Owners Say She Will Enter.

New York, Nov. 16.—The agents  
here of the Clyde Line steamer Chero-  
kee which had trouble with the Domi-  
nican government authorities on her  
last trip to that island, declared to-  
day that the Cherokee will sail next  
Wednesday on her regular schedule,  
and will pursue the regular itinerary,  
stopping at Samana Bay, Monte Chris-  
ti, San Jose, Puerto Plata and Maco-  
ris.

Manuel Galvan, consul general from  
San Domingo to New York, said today,

that the Cherokee will surely be sunk  
if she attempts to enter the five har-  
bors named.

He says that the entire San Domi-  
ngan navy, the gun boats El Presiden-  
te and Independencia are on guard to  
maintain the blockade of those ports,  
now in the hands of the rebels under  
Jimuluz.

"If the Cherokee attempts to enter  
any of those ports the gunboats will  
not parley with her this time," said  
Mr. Galvan. "They will surely sink  
her."

## TEMPERANCE WOMEN VISIT OLD CRUSADER.

Cincinnati, Nov. 16.—The 500 dele-  
gates to the Women's Christian Tem-  
perance Union, and an equal number  
of others made a pilgrimage to Hills-  
boro, Ohio, 61 miles from here today.

At Hillsboro, in her 83rd year, lives  
Mrs. Eliza Jane Thompson, who as a  
temperance leader in 1873 gained the  
name of "Mother" Thompson. Being  
unable, by reason of her years, to  
come to the convention, the conven-

tion boarded excursion trains this  
morning and went to her. The sched-  
ule provided for the return of the  
delegates and the reconvening of the  
convention at 3 p. m.

The temperance crusade which  
"Mother" Thompson, at the head of  
70 other women, started in Hillsboro  
when they prayed and exhorted in the  
streets later expanded into a temper-  
ance campaign covering the whole  
state.

Dobbs, received a letter from him Saturday, stating that he had taken a contract to saw up a lot of four-foot wood for a man at Jefferson City, Mo., and asked that his working clothes be forwarded. He also stated that he would continue westward to Clements, Kan., where an older brother resides. Paul has a great many friends in Lima and will be glad to know that he is still alive, and that although he is but 14 years old yet he is not afraid of work and is getting along nicely.

**Death of Christian Zurfluh.**

**GRIT IN THE BEARINGS**  
How Rheumatism Affects the Human Mechanism.

Grit in the bearings—every engineer knows how important it is to guard against this trouble—to get rid of it, if it comes; so too every one who has to do with machinery of any kind. The human body is a more marvelous piece of mechanism than any made by hand. Nature does a deal to keep the body in good repair—in good running order. But people make mistakes—some through carelessness, some through ignorance. Nature sometimes needs help. One acid causes Rheumatism—deposits like grit in the muscles and joints, it acts like grit in the bearings—hinders their action, makes pain and trouble. Every sufferer knows how much. Athrophoros dissolves the Uric Acids—the body to get rid of it—helps to the restoration of health and strength. It does this with certainty—proven by the experience of many years. Exchange comfort for pain. If your druggist doesn't keep it send \$1 for a bottle to The Athrophoros Co., New Haven, Conn. It will show you how to rid your bearings of the grit.

**Seriously Ill.**  
Harvey Taylor, of south Main street is nearing the end of life's journey, and is in a serious condition from tuberculosis. Friends who were with him last night, hardly expected him to survive till morning. He has been in ill health for nearly three years.

**Bad Injury.**  
A few days ago, Elmer Nolf, of 410 east Second street, injured his right leg while hunting near St. Johns, O. Mr. Nolf's injuries have developed into a serious nature. The leg from the knee to the tips of his toes is swollen to twice its natural size, and is very painful, so much so that sleep is impossible. Mr. Nolf said that James Kentner, of Wapakoneta, who went hunting with him, also sustained a severe sprain, in his left foot, and that the accident happened in ten minutes after they went into the woods.

**Price Funeral.**  
The funeral of "Grandma" Eleanor Price, wife of David Price, of south Pine street, who died at 8 o'clock Saturday morning, was held at the south Lima Baptist church, this afternoon, at 2 o'clock, Rev. Geo. Lord, of the First Baptist church, officiating. Interment was made in Woodlawn cemetery. Mrs. Price was born in Cardington, Wales, Dec. 25, 1812, and had she lived until Christmas, would have been 91 years old. She came to this country in 1846 and was married to Mr. Price in 1856. The Price's lived in their present home for seventeen years.

**Mummaugh-Kiser Wedding.**  
Tomorrow morning at 7 o'clock, Rev. Rupert will join the lives of Wm. Mummaugh, an employee of the Locomotive Works, and Miss Catherine Kiser, of Forest avenue, at the St. John's church. A wedding dinner will be served to the immediate friends at the home of the bride's mother, Mr. and Mrs. Mummaugh will live on Forest avenue.

**Off For Arkansas.**  
Times are lonely at the south side fire department, on account of the absence of George Tracewell. This morning he gathered together 14 boxes of shells, a gun, two coats, no stovepipe, but a lot of other traps, and started west to hunt anything from quail to Indians. He will be gone one week, and the boys at the station are fasting, expecting a great feed when "Happy" returns.

The republicans won out, and the democrats accordingly furnish the supper. Indications point to the belief that about 200 democrats and republicans, from all over the state, will sit down to one of the most elaborate banquets ever served upon a like occasion. Mrs. M. M. Myers of 718 west Elm street, says: "There was a constant dull aching through my back. The secretions from the kidneys were highly colored and deposited a heavy sediment. I suffered terribly from sick headaches and felt at times as though I could not get better. I was advised by friends to try Doan's Kidney Pills and acting on their advice, I procured a supply at Melville's drug store and soon noticed a decided improvement. ## THE EISTEDDFOD

An Attractive Musical Com-  
petition, Wednesday After-  
noon and Evening.

The musical contest to be held in  
the city next Wednesday afternoon  
and evening is looked forward to with  
the greatest interest by the lovers of  
music in Lima and the surrounding  
country. The simple announcement  
of "Ent 1204" to musicians at once  
suggested that the competition of the  
different choruses and choirs and so-  
lists which such an event always  
brings together is sure to be an event  
of musical and social nature. The contest  
next Wednesday brings into competi-  
tion choirs from Ada, Gomer, Vaughn-  
ville, Venudocia and Lima. In all,  
there will be about ten choirs from the  
above named musical centers, some of  
the choirs numbering upwards of  
fifty voices. The different choruses  
have been preparing for the event for  
several months past. Besides compe-  
titions in chorus work, there will be  
competition in solo, duets, quartets,  
violin and piano solos, also in recita-  
tions, impromptu speaking, etc.  
For the honors of the mixed chorus,  
"Star of Descending Night," four  
choirs have entered. Mr. Henry De-  
saut and Miss Leah Arthur, of this city,  
each have choirs who will contest on  
this chorus. Miss Arthur having also  
a ladies' choir which will compete for  
the ladies' chorus, "Sweetest May," a  
most beautiful composition. Gomer  
and Venudocia will compete on the  
male chorus, "The Crusaders."

Prof. Geo. Marks Evans, Miss Bach  
of New Castle, Pa., a composer of  
note, has been selected to adjudicate.  
The sessions will be held in the  
First Congregational church after-  
noon at 2:00 and the evening at 7:00.

You will miss it if you don't attend  
the show also at 546 south Main street,  
Bosce building. 24-2t

STRANGE  
IS STORY

Told by Priest of His Abduction and  
His Subsequent Release.

Reverend Who Disappeared From His Home  
Last Friday Found Raving Wildly on a  
New York Street. His Friends  
Have Faith in Story.

New York, Nov. 16.—The Rev. Jos.  
Cirrione, rector of the Italian  
church of the Immaculate Conception  
in Williams Bridge, a suburb of this  
city, who disappeared from his home  
under mysterious circumstances, last  
Friday night was found early today  
by policemen in east 51st street, rav-  
ing wildly in Italian, and is now in a  
hospital.

Father Cirrione had incurred the  
enmity of Italians about Williams  
Bridge, by a crusade against vice. He  
received threatening letters and had  
reported the matter to the police, who  
were endeavoring to locate the writ-  
ers. Late Friday night, two men  
called upon him, and representing  
themselves as detectives, asked him  
to accompany them to the station  
house. He did not return and it was  
believed he had been carried off by  
agents of an Italian secret society.

When found today, Father Cirrione  
lone fell exhausted into the arms of  
the policeman, crying out "They have  
robbed me, and they will kill me. Pro-  
tect me." A hurried examination of  
the priest's physical condition was  
made by a physician who found that  
on his wrists were two red marks  
similar to those that would have  
been made had the priests been bound  
with a rope.

Under the influence of soothing  
drugs, Father Cirrione became  
calmer and was able to tell something  
of his story. He said that he had  
been robbed by two men, the men  
who had gone to his home on Friday  
night, and whom he had accompanied,  
believing them to be detectives. "They  
took me to the ocean," he said, but  
beyond that the questioners could get

little detail of where he had been.  
He said that when within a few  
steps from the door of his own home  
the two men grabbed him, one grab-  
bing him by the arms and pinning  
them behind him, while the other  
thrust over his nostrils a cloth of  
some kind saturated with a pungent  
liquid. Then he says he lost con-  
sciousness and the next thing he knew  
was when he found himself in a  
"dark and dismal cellar," with his  
wrists bound.

The priest said that he had been  
freed but a few minutes before he  
had been found by the policeman. He  
said he had been blindfolded into the  
street and then the bandages over  
his eyes removed and he had been  
given a push.

From Cirrione, when he left his  
house he had a gold mounted ebony  
cane, a valuable gold watch and some  
money. When found today all were  
gone.

Friends and relatives of Father  
Cirrione believe the story of the  
priest, but the police are awaiting  
developments before taking action  
for the discovery of the alleged ab-  
ductors.

To civil justice, Roesp, an old  
friend of the priest, the latter said  
there were four men in the gang which  
abducted him. Only one was an Ital-  
ian. One of the other men spoke  
rough to him, and insisted that he  
be killed. He said that he heard the  
men say on Sunday that the papers  
were filled with the story of his ab-  
duction and this man again insisted  
that he be killed. The others objected  
and managed to get this man intro-  
duced and the priest's life was saved.

## \$12 00 PER SHARE DIVIDEND.

New York, Nov. 16.—The Standard  
Oil Co. of New Jersey, has declared a  
dividend of \$12 per share, payable Dec.  
15th, next to stockholders of record  
on November 20. This is an increase  
of \$2 from the dividend declared at  
this time a year ago, and brings the  
total dividend for the year to 41 per  
cent. While this new process was  
going on, Sheriff Barr left an order at  
a livery stable for a carriage and team  
and loading the prisoner into it di-  
rected the driver to go east as fast as  
possible. He avoided the depot and  
drove a distance of 16 miles across the  
state line to Montpelier, Ohio, where  
he was safe from pursuit. After clac-  
ner they proceeded to Toledo, where  
the sheriff and his prisoner took the  
C. H. & D. for Lima, arriving Satur-  
day evening.

ATTENTION  
GIVEN SMOOT.

Democratic Leaders Loudly Applauded  
for Addresses Against an  
Arbitrary Rule.

Washington, Nov. 16.—When the  
senate convened today, several peti-  
tions protesting against Senator Smoot  
retaining his seat were presented and  
referred to the committee on privi-  
leges and elections.

Leaders Will Fight.  
Washington, Nov. 16.—The house  
of representatives began the consid-  
eration of the Cuban reciprocity bill to-  
day.

Mr. Dalzell, republican, reported a  
resolution providing that the bill re-  
ported from the Ways and Means com-  
mittee should be considered to the ex-  
clusion of the other bills until four  
o'clock, Tuesday, when a vote will be  
taken, without intervening motion.

Mr. Williams, democrat, (Miss).

speaking for the minority in opposi-  
tion to the rule declared it was about  
the most drastic rule ever introduced  
in the house, saying it shut off all  
right to perfect the bill. He said the  
minority decided to offer an amend-  
ment which proposed to strike out the  
"double barralled pledge" contained in  
the bill. Applause from the demo-  
cratic side greeted the statement that  
the bill tears down one fifth of the  
schedules built up by the republicans.  
The amendment it was desired to of-  
fer was the one decided on in the  
democratic caucus Saturday night.

Mr. De Armond, democrat, (Mo.)  
spoke in opposition to the adoption of  
the rule that shut off amendment. He  
desired to amend it. Mr. DeArmond  
was applauded by his colleagues.

PERUNA FARM HAS  
A FATAL EXPLOSION.

Columbus, Nov. 16.—Word was re-  
ceived here today that a dynamite ex-  
plosion occurred on the stock farm  
of Dr. J. B. Hartman, south of the  
city, during the forenoon, killing four  
men outright.

A crew of ten has been working on  
the farm during the summer blasting  
rock and stumps carrying out the  
owner's extensive plans.  
Hills were being cut down and hol-  
lows filled up.

## STOLE

A March on the  
Attorney

Before a Plan

To Hold a Prisoner Was  
Carried Out.

Sheriff Barr Locates Harry  
Kratzer in Indiana and  
Has Him in Jail

Where He Will Be Held to Await  
Sentence on the Charge of  
Abandoning His Minor  
Child.

Harry E. Kratzer, indicted by the  
last grand jury for deserting his fam-  
ily, and leaving a minor child unpro-  
vided for, is again in jail, and now  
stands face to face with a sentence  
which will probably send him to the  
penitentiary.

When Kratzer was indicted, Deputy  
Sheriff Freet arrested him at St.  
Marys, where he was working in the  
machine shops, and being brought be-  
fore the court he pleaded guilty to the  
charge. He was permitted, on his  
own recognizance, to find security for  
the future support of the child, but  
he treated the court with contempt,  
and at once left the state. It was not  
long until the prosecuting attorney  
had him located at his old home in  
Angola, Ind., and Sheriff Barr went to  
Columbus, Friday morning where  
requisition papers were issued. The  
next point was to Indianapolis, where  
the papers were acknowledged by the  
governor of Indiana, and the sheriff  
then sent a telegram to the sheriff at  
Angola to arrest Kratzer.

The telegram was delayed in some  
way and Sheriff Barr was there ahead  
of it. He had no trouble in locating  
Kratzer, who was working in a found-  
ry, and he was taken to jail to await  
the departure of the next train.  
Kratzer sent for an attorney who im-  
mediately hustled around to prepare  
papers in a habeas corpus proceeding,  
but when he appeared with the at-  
torney for Kratzer to sign, Sheriff Barr  
refused to permit the prisoner to do  
so, and had the bracelets on him  
ready to depart. The attorney de-  
clared he would make out another af-  
idavit and sign it himself, telling  
Kratzer he would meet him at the de-  
pot. While this new process was  
going on, Sheriff Barr left an order at  
a livery stable for a carriage and team  
and loading the prisoner into it di-  
rected the driver to go east as fast as  
possible. He avoided the depot and  
drove a distance of 16 miles across the  
state line to Montpelier, Ohio, where  
he was safe from pursuit. After clac-  
ner they proceeded to Toledo, where  
the sheriff and his prisoner took the  
C. H. & D. for Lima, arriving Satur-  
day evening.

Had the Proof.  
There was but one divorce suit  
presented at the Saturday session of  
court, W. E. Zimmerman applying for  
a decree which would free him from  
his wife, Rosa Zimmerman, whom he  
charged with adultery, and keeping a  
house of prostitution at Dayton. D. C.  
Henderson represented the plaintiff  
and to sustain several of the allega-  
tions named in the petition, Deputy  
Sheriff Freet and Officer Grant testi-  
fied that service was had on the de-  
fendant shortly after she came to  
Lima, from Dayton with a strange man  
and put up at a questionable resort.  
The divorce was granted.

Promptly Wedded.  
There was a wedding at the court  
house, Saturday evening, which at-  
tracted the officials and deputies to  
the upper court room, where Rev.  
Brundige, of the Wayne street church  
of Christ, united a happy couple from  
Delphos. The contracting parties  
were Wm O. Turner and Miss Opha  
Bryan.

A Preliminary Skirmish.  
The entire morning session of court  
was devoted to arguments on techni-  
cal points brought up in the case of  
the state vs. Amos Young, and at 3  
o'clock this afternoon a further delay  
was occasioned by the demand for a  
special venire in order to select a  
jury satisfactory to both the prosecu-  
tion and the defense.

Judge Armstrong is presiding in the  
case. J. C. Ridenour and W. B. Richie  
represent the defendant and Prosecu-  
tor Klinger, the state unassisted.  
A motion to continue the case was  
argued at length by defendant's coun-  
sel, on the ground that sufficient time  
and opportunity had not been had to  
examine the books of the Allen Coun-

ty Building and Loan Association, but  
the court overruled it, citing the fact  
that the indictment had been returned  
by the grand jury at the January term,  
and the case had twice been continued.  
Each juror was put through a rigid  
examination, but only one was dis-  
missed for cause. A peremptory chal-  
lenge on the part of the state exhaust-  
ed the panel and made a special venire  
necessary.

## ILLNESS

Of Mr. George A. Hamilton  
Terminated by Death.

Passed Away at Kiowa, Colorado,  
Death Being Due to Lung  
Trouble—Wife at Bedside.

George J. Fisher, of east Market  
street, received a telegram yesterday,  
bearing the sad tidings of the death of  
his son-in-law, George A. Hamilton,  
at Kiowa, Colorado. Early last sum-  
mer, the deceased suffered an attack  
of typhoid fever, and it reduced his  
vitality to such a degree that lung  
trouble followed. Mr. Hamilton left  
Lima upon the advice of his physi-  
cians five months ago, for the west,  
hoping to be benefited by the change.  
His wife was, prior to her marriage,  
Miss Laura Fisher, the eldest daughter  
of Mr. and Mrs. George J. Fisher.  
Mrs. Hamilton reached the bedside of  
her husband Wednesday, and was  
with him when the end came. To  
mourn his untimely death are a  
faithful wife and two children, a son  
and a daughter, aged 4 and 3 years  
respectively. No funeral arrange-  
ments have been made but due an-  
nouncement of the same will be given.

# OUR SECOND ANNIVERSARY SALE

Begins Today, Nov. 16, and Will Continue Two Weeks.

Two years ago this month The Lima Dry Goods Co. was organized and today we begin our second celebration of that event. In the two years just finished this business has grown far beyond our expectations, has not only nearly doubled its sales, but has grown to occupy a most favorable position in the minds of the public, has grown to be a store to which the people of Lima point with pride, as the most popular and thoroughly up-to-date Dry Goods House in the city. We are justly proud of our success, which has not come to us by chance, but by hard and patient work, each day striving to improve, to better the assortments, to better the service and increase the comforts and conveniences and make this an ideal shopping center.

**Prowlers Visit the Homes Of Residents Of Reece Avenue at Late Hours.**

**A Woman Severely Frightened by Them at Home of F. S. Rabe.**

**Viola Kendall Again Escapes From the Anglaize County Infirmary. News of the Day in Mayor's Court.**

F. S. Rabe, a well known blacksmith who resides at 352 Reece avenue, visited a hardware store this morning and after purchasing a bull dog revolver, informed the police that there would be something doing at his house if there should be a repetition there of a scene that occurred last night.

During the last few weeks, a number of complaints have been made by the Reece avenue people about prowlers who have been making visits to several houses during the nights, and last night, two attempts were made to break into the residence of Mr. Rabe. The first visit was made at 11:15 o'clock and a gentleman who was at the house at the time, calling upon Mrs. Rabe's sister, frightened the prowlers away. An hour later, they returned and tried to open several of the doors and windows. Mrs. Rabe's sister, whose company had departed some time prior to this hour, was badly frightened, and the prowlers escaped before Mr. Rabe could give pursuit.

A couple of weeks ago, the board of Mrs. Straubert near the lake home, was entered and \$25 was taken from one of the boarders.

**Police Pickings.**  
The police received a telephone message from Wapakoneta last night, announcing that Viola Kendall, a young woman who has been an inmate of the Anglaize county infirmary for several years, had escaped and would probably come to this city as she has done on several previous occasions. Viola had not been seen here up to 2 o'clock this afternoon.

Sam Madison, colored, made his second appearance in Mayor's court when his recent marriage to the widow of Wm. Jones on the charge of a drunkenness this morning. He pleaded not guilty and the case was set for being at 3 o'clock this afternoon.

John Hillary was notified to appear at 3 o'clock this afternoon to answer to the charge of having assaulted J. W. Smith.

Frank Parker fined \$5 and costs, for drunkenness, was committed in default of payment.

Ed Hockethorn was sentenced to

ten days imprisonment, for drunkenness.

Fred Gowdy reported to the police that some one had stolen his horse and buggy on the street. He afterwards informed the department that the rig had only been taken by a couple of his friends as a joke.

## WINTERS

**Boys Were Not Guilty of Any Wrong Doing.**

**Facts Presented in Mayor's Court Show That the Boys Were Not Guilty of Any Offense.**

The case in mayor's court against Joseph and Andrew Winters two north Main street lads who were charged with stealing a sully, was dismissed Saturday afternoon by Mayor Robb. There was no evidence whatever submitted against the boys by the prosecution while on the other side of the case the facts, as submitted by the parents of the two young defendants showed that they had been guilty of no offense of any kind. The sully in question had been given them by a boy named Guthrie and there was no evidence to show that it had ever been stolen by any one.

## MEETING

**Was Alive From Start to Finish.**

**Union Session of Christian Endeavor Societies Proved Very Interesting Event.**

The regular union meeting of the south side and Wayne street Church of Christ, societies of Christian Endeavor met with the Wayne street society last evening. There was a large attendance and the meeting was alive from start to finish.

The subject under discussion was a most interesting and urgent one, being, 'How We May Help Abolish the Saloon'. This seemed to be a men's meeting, and every young man present, and there were a great many—felt his duty at the ballot to be great; but the ladies were sure they could do something by being true to their principles.

The songs were inspiring and the prayers and speeches heart felt. The ladies' quartette of the south side society rendered a beautiful selection and were also favored with a duet from the Wayne street society.

The hour and a half slipped by and when the meeting closed with the beautiful Endeavor benediction, all felt as though they had been benefited by coming.

The next meeting will be held with the south side society in one month. Every one is cordially invited to attend.

**Members of Eastern Star Order Go to Marion**

**To Conduct Funeral of Mrs. Shepherd,**

**A Prominent Lima Lady Who Died in That City Saturday.**

**Deceased Had Long Been a Sufferer From Spinal Trouble. Bereaved Husband a Local Railroad Man.**

Ten members of Trinity Chapter of the Order of Eastern Star, of this city, went to Marion, O., this morning to conduct the funeral services over the remains of Mrs. Shepherd, a member of the local chapter of the order who died in Marion, Saturday morning. The deceased was the wife of engineer Wm. Shepherd, of the C. & O. yards in this city. She had been a resident of this city for 10 or 12 years, living on south Main street. She went to the home of her parents two or three months ago, and her husband was at her bedside when she died. The Marion Mirror publishes the following concerning her death:

"Mrs. Wm. Shepherd, of Lima, died at 4:30 o'clock this morning, at the home of her parents Mr. and Mrs. Peter McCain, of David street, after an illness of several months. Death was due to a complication of diseases, a post mortem being held to determine the exact cause of death. She had been a sufferer from spinal trouble for several years.

"Mrs. Shepherd has been ill at the home of her parents in this city for the last five months. Mr. Shepherd, her husband, is a well-known engineer on the Erie. No children survive.

Besides the parents and husband, three brothers and three sisters—Mrs. Emma Malone, Mrs. Anna Crouse, Miss Addie McCain and Mr. John McCain of this city, Mr. Edward McCain, of Portland, Oregon, and Mr. Marion McCain of Cincinnati survive.

A short funeral service will be held at 1 o'clock Monday afternoon, at the McCain residence on David street, followed by interment in the Pleasant Hill cemetery. Services will also be held at the Pleasant Hill church. The Eastern Stars of Lima, will have charge of both services, Mrs. Shepherd being a prominent member of that order.

## CONTEST

**Was Won by Business Men's Class.**

The business men's class put a strong basket ball team on the floor Saturday evening against a team selected from the night physical class, and there was a good-sized crowd of enthusiasts present in the expectation of seeing a close and exciting game. They were not disappointed as the two teams were evenly matched, and the contest was in doubt until the last minute of play. At the end of the struggle, the business men were two goals ahead, winning by a score of 18 to 14. The game was a tie two minutes before time was up, but Dr. Jones made two baskets in rapid succession. The line-up was as follows: Business Men—Jones, center; A. D. Thomas and Dr. Pierce, forwards; Graham and Moulton, guards. Evening Class—Sloniker, center; Bremer and Witmer, forwards, Potter and Moore, guards.

## RESPONDED

**To the Shot With Seventy-five Barrels.**

**The Delaware Oil & Gas Company Bring in a Good Well in Bath Township.**

The Delaware Oil & Gas Company shot their No. 3 on the Charles Munnigh lease, three miles east of town, in Bath township, Saturday and the well is showing up for a fine producer, the product being 75 barrels a day.

The success of the well means the development of the eastern tract of the company's property to the fullest extent, and the production is bound to be increased with the completion of each well. No. 1 and 2 have proven money makers and are still keeping up with a splendid record long established.

The leases of the company are of great value and the investment has been one of the strikes which stand high in local oil circles.

## CROWDED

**House Greeted Lecturer at the Y. M. C. A.**

**Thanksgiving Time**

Is approaching, and you should not only be thinking of new garments, but of placing your order with us. We know that by reminding you of this we have claims for your consideration that few tailors can pride themselves on, viz: unusual skill in cutting and fitting, and an unbroken resolution that every garment must be satisfactory before it leaves us.

Highest award at Pan-American Exposition.

Suits or Overcoats \$15 up. Trousers \$1.00 up.

We furnish you union make garments if desired.

Your credit is good here.

**SPECIAL SALE OF LADIES' COATS A THIRD LESS THAN VALUE, AT CARROLL & COONEY'S.**

## Extra Values

Which appeal strongly to that class of people who want good quality merchandise, at the lowest consistent prices. By nature most of us belong to that class. These values appeal to YOU.

## Our Methods

Are different from many others. We do not buy an article and then see how much we can get for it. Our method is to set our retail price, then go ahead and buy the best we can get to sell at the set price. That is why our qualities are UP.
